**COLOMBIA** ▶ The privacy at **Playa Koralia**—a complex of 19 brightly painted bungalows fronting a secluded stretch of Colombia's Caribbean Riviera—has made it popular among Latin American celebrities such as pop star Shakira and model Natalia París. Oversize rooms are minimalist (white walls and floors; beds draped with sheer netting; pink hammocks), and a tiny spa offers spice-infused massages and mud scrubs. Ask the front-desk staff to arrange a guided trek to mountaintop waterfalls in nearby Tayrona National Park. After-hours, head for Koralia's open-air bar, where rum and salsa music flow freely all night long. *Km 47 desde Santa Marta, Crta. Troncal del Caribe*; 57-310/6422-574; [koralia.com](http://koralia.com); \$106.
